### INFORMATION ABOUT THE PACKAGES ABOVE:

- All the high resolution images will be supplied on one CD/DVD to be distributed among the team. Additional CD/DVD's can be supplied at a cost of \$6.50 per disk.
- The **"Coaching CD"**: During your first performance we will take pictures from the Press Box at precisely 1 second intervals to show your synchro formations. You receive a CD with a slide show program that plays back the pictures at 1 second intervals, so that your skaters can see exactly where they are in their formations. This can help you get them ready for future competitions. Coaches have used this approach to make last minute corrections to their team's routines in time for their next performance. Your team can view this slide show at our sales booth, and you'll get even more coaching time if you bring your own laptop. Cost is only \$50 with the Combo Package which includes your CD and time at our booth for your team so you can give them thorough coaching tips. ("Note": these photos are intended for viewing purposes only.)

**If we cannot produce your disk in time at the event, it will be mailed to you within 10 days of the tournament.**

**Our Guarantee: If we cannot take your photos as described, we will give you a full refund.**
